

# STARTING A STORY

Pick five names out of a phone book/random generator. Make them talk about their lives.

Take a character you've already created and put them somewhere unfamiliar.

Character:	
Place:	

Put your music on shuffle. Skip three tracks. Write a short piece inspired by the song.<sup>1</sup>

Artist:		Song:	

Sit in a public place. Write a story about someone who catches your eye. Who are they?

Description:

<sup>1</sup> If your own music doesn't inspire, try using an online music service such as Spotify or YouTube and pick a playlist at random. Try something you've never heard of. Music videos work for this too.
