SEVEN STEP PLOTTING	
Stage	Brief Description
How events stand at chapter's beginning	Sally has retrieved John's inhaler from the storage unit.
Inciting Incident	She is taking the inhaler to John when she is mugged by the boy in the mansion.
Reluctance	The security system in the mansion is very good. Sally doubts she can get in without being caught.
Turning Point (or Miniboss Battle)	John begins to have an asthma attack. She distracts the guard and runs into the grounds.
Crisis or Low Point	The inhaler is in a room with the boy inside. However, John will die without his inhaler.
Climax or Showdown (or Boss Battle)	Sally runs through the room, grabbing the inhaler as she goes. She is chased, but she slams the door in the boy's face and he falls down. Sally gets the inhaler to John and he is okay.
How events stand at chapter's end	Sally got braver and saved John's life. John can now tell the professor the important information.
